

New Publication: Patterns of Leadership for Infrastructure Companies

We are exited about our new publication with the *Open Journal of Business and Management*.

Patterns of Leadership for Infrastructure Companies presents an early case from our upcoming book Patterns of Mastery that will be published on May 2025 by LID Publishing.

Leaders can learn how to improve performance from average to exceptional, specific to this sector.

THE PUBLICATION

Since 2002, we create Organization Twins with the Al-based Management Innovation Toolkit.
