Book Chapter: The Dunning-Kruger Effect on Organizational Agility

18.12.2023 19:17:20 | Management Insights, Lukas Michel | 0 Comments | Dunning-kruger effect

Learn why leaders overestimate their own capabilities and underestimate those of their employees.

We are proud to announce the publication of yet another book chapter.

Learn why leaders overestimate their own capabilities and underestimate those of their employees - a hurdle for the design and development of organization and management.

The topic perfectly fits our work with our diagnostic toolbox and twins for leaders.

THE BOOK CHAPTER

About Management Insights

Founded by Lukas Michel, Management Insights draws on more than 25 years of research and practice to help people understand how their organizations work. The Organization Twin brings organizational patterns into view for reflection, dialogue, and informed choice.
