New Publication: Patterns of Leadership for Infrastructure Companies

12.09.2025 18:17:12 | Management Insights, Lukas Michel | 0 Comments

Learn more about applied research and case study.

We are excited about our new publication with the *Open Journal of Business and Management*.

Patterns of Leadership for Infrastructure Companies presents an early case from our upcoming book *Patterns of Mastery* that will be published on May 2025 by LID Publishing.

Leaders can learn how to improve performance from average to exceptional, specific to this sector.

THE PUBLICATION

About Management Insights

Founded by [Lukas Michel](#), Management Insights draws on more than 25 years of research and practice to help people understand how their organizations work. The [Organization Twin](#) brings organizational patterns into view for reflection, dialogue, and informed choice.
