Diagnostic Mentoring: New book

15.01.2022 04:29:41 | Management Insights, Lukas Michel | 0 Comments

How to transform the way we manage.

We are proud to announce that we have just published *Diagnostic Mentoring*, our new book for experts on better management.

Diagnostic Mentoring guides experts through the methodology on how to transform the way we manage.

It is the most comprehensive dipository of our diagnostic mentoring methodology.
